

### **Your help can make a difference in the fight against smuggling**

We want to help protect society against smuggling — whether it's drugs coming in or criminal money going out. We believe the best way to do this is to ask legitimate boat users to help us by reporting any suspicious activity.

Please make a note of anything you see, but don't get involved. You can pass on information anonymously or you can ask for an intelligence officer to contact you.

If you see it, report it.
